DREAM GREEN

The prospect of living an eco-friendly lifestyle can sometimes be daunting, but with *Go Green, Live Rich* (Broadway Books; \$14.95), changing your routine is easier than you could ever have imagined. Author David Bach reveals 50 simple ways to save the earth—and save money doing it. It's as effortless as flicking a light switch, turning off your tap, or buying and selling on eBay. Find out how your actions may be negatively affecting the environment and what you can do to change them. You'll be surprised to discover that the smallest adjustments can make a huge impact not only on the planet, but on your wallet as well.—LAUREN M. MURPHY
